

NAME: \_\_\_\_\_

DATE: \_\_\_\_\_

**DIRECTIONS:** In pairs, measure your body parts to see how they stack up next to these big (and not-so-big) record-breakers. Record your measurements in the chart below. How do you measure up to the record holders? Once you are done measuring, do some comparing. Your teacher will let you know how many comparison statements to write.

My Measurements		World Record	
My height		Tallest living man	8 feet 3 inches
		Tallest living woman	7 feet 8 inches
		Tallest teenage boy	7 feet 1 inch
		Shortest living woman	2 feet 0.7 inches
		Shortest man ever	1 foot 9.5 inches
My length at birth		Longest baby ever born	28 inches
My foot		Longest feet	1 foot 6.5 inches
My nose		Longest nose	3.46 inches
My toes		Longest toes	5 inches
My hands		Largest hands	12.75 inches
Span of my hands		Widest hand span	12 inches
Width of my mouth		Widest mouth	6.69 inches
