Name of group members: \_\_\_\_\_

Date: \_\_\_\_\_

**PROBLEM: Do mealworms like water?**

**PREDICTION:**

After 10 minutes how many mealworms **will be** on the

wet \_\_\_\_\_ damp \_\_\_\_\_ and dry \_\_\_\_\_ towels?

**RESULTS AFTER 10 MINUTES:**

After ten minutes how many mealworms **were actually** on the

wet \_\_\_\_\_ damp \_\_\_\_\_ and dry \_\_\_\_\_ towels?

**RESULTS AFTER 30 MINUTES:**

After ten minutes how many mealworms **were actually** on the

wet \_\_\_\_\_ damp \_\_\_\_\_ and dry \_\_\_\_\_ towels?

## Critical Thinking

1. Do you think mealworms need to have water? \_\_\_\_\_ If yes, how much water do you think they need?

2. Did the other groups get the same results?
